Activity Report

Title of Program / Activity	Workshop "Trade Secrets"
Date & Time	9th March 2023 from 10:00 am to 05:00 pm
Details of Activity Coordinator	Prof.A.V.Pandit
Name of Expert	Mrs.A.B.Date
Program / Activity Objectives	The objective of the "Trade Secrets" workshop is to provide participants with a comprehensive understanding of the importance, legal protection, and management of trade secrets in business environments. Through interactive sessions and case studies, attendees will learn strategies for identifying, safeguarding, and enforcing trade secrets within their organizations.
No. of Participants	25
Summary/Particular	The "Trade Secrets" workshop offers a condensed yet comprehensive exploration of the significance and protection of proprietary information in business contexts. Participants delve into the nuances of identifying, safeguarding, and managing trade secrets, essential assets for competitive advantage. Through interactive discussions and case studies, attendees gain practical insights into mitigating the risks associated with trade secret misappropriation. The workshop emphasizes the importance of implementing robust policies and procedures to safeguard confidential information while fostering innovation within organizations. Overall, participants depart with a deeper understanding of trade secret management strategies crucial for maintaining a competitive edge in the marketplace.
Location	327
