### Activity Report

Title of Program / Activity	Expert Lecture on AWS
Date & Time	Friday, October 06, 2023 from 11:00 am to Till End
Details of Activity Coordinator	Prof. J N Thakur
Name of Expert	Mr.Nitin Sonawane
Program / Activity Objectives	The objective of the expert lecture was to give students a foundation on which to apply various computer science concepts including Cloud Computing. Amazon Web Service was to equip students with the skills they'd need to create a variety of items utilising Amazon Services.
No. of Participants	31
Summary/Particular	Mr.Nitin Sonawane discussed Cloud computing is the distribution of computing services via the Internet (the cloud), including servers, storage, databases, networking, software, analytics, and intelligence, in order to provide faster innovation, more flexible resources, and economies of scale. You typically only pay for the cloud services you use, which helps you reduce operating expenses, improve infrastructure efficiency, and scale as your business grows.
Location	College campus
