Activity Report

Title of Program / Activity	Expert Lecture on Software Engineering in AI
Date & Time	Friday, February 09, 2024 from 10:00 am to 05:00 pm
Details of Activity Coordinator	Prof. J.S.Pawar
Name of Expert	Mr.Bajirao Shirole
Program / Activity Objectives	The primary objective of this lecture is to provide attendees with a comprehensive understanding of the intersection between software engineering principles and artificial intelligence technologies.
No. of Participants	31
Summary/Particular	The recent expert lecture on "Software Engineering in AI" highlighted the critical role of software engineering principles in the development of AI systems. Attendees learned about best practices, real-world examples, and the importance of interdisciplinary collaboration. The lecture inspired innovation and provided valuable insights for navigating the complexities of AI development.
Location	College campus
